Description

Antique Mesh Patterned Pin-Hi Golf Ball

This is a nice rubber core golf ball in near mint condition, with no signs of ever being played. The mesh ball has its original wrapper but has been opened. The covering on the opened ball is slightly crackled but is original. The mesh golf ball was manufactured by the North British Rubber Co.,Ltd. Edinburgh. On one of the poles is the name "PIN-HI" and Scotland is on the other, the ball is numbered 2.

The ball is approximately 1 9/16 inch in diameter (4 cm).
