Description

Unusual Wooden Trolley, Golf Club Carrier.
Looking like an early forerunner of today's golf bag trolley this "Trundle Stick" trolley was in-fact a package cart. Made of plywood with beech wheels, the wooden frame is stamped "Trundle Stick, Reg. Trademark, Pat. Pend.".
Would look great as a display piece with a golf bag and hickory clubs.

Auto caddy golf bag stands were becoming popular by the end of the 19th century.

Golf bag and clubs not included, but do check our website if you are after some vintage hickory golf clubs or even a set of playable Hickories.
