

Antique Hickory Golf Club, Brassie

Sold

REF: 25835

Height: 105.5 cm (41.5")

Description

Antique Hickory Golf Club, Brassie.

A beautiful persimmon wood Brassie with hickory shaft. The club head is with full brass sole plate, fibre face insert with wooden pegs and lead weight to the rear. The head has an approximate 21° loft. The makers stamp is faint but it is an oval stamp and the partial professional's name 'weston' can be made out.

A great brassie in good original condition and very usable for modern hickory play. The best balls for hickory play are low compression balls that will give at impact, such as ladies balls or soft feel balls.
