Description

Diamond back hickory shafted mid iron by Alex Patrick, Leven.

A nice diamond back hickory shafted mid iron stamped, "Warranted hand forged, A. Patrick, Est.1847, Leven, made in Scotland". It also bears Alex Patrick's "well made" mark (a lady at a well) which was in use from 1920 - 1925. The iron is hickory shafted with line and dot face markings and a polished leather grip. A great mid-iron in good original condition and very usable for modern hickory play. Approximate 25° loft. A great player.
