Description

Vintage Hickory Golf Club, Iron, Cann & Taylor.

A nice original hickory blade iron with hand punched dot face markings. The hickory shaft with J. H. Taylor "Autograph" and a polished leather grip. The rear of the club head marked 'Cann & Taylor, Warranted Hand Forged, J. H. Taylor "Autograph", Re.No. 303868/08, Iron' and the Cann & Taylor 'Fliwheel' cleek mark, which was used between 1895 and 1930. Taylor's fine reputation enabled his club making partnership with George Cann to become a very successful one. He joined forces with George Cann whilst he was professional at Winchester to start the club making business in 1894. Over the years the branded J.H. Taylor Autograph Model clubs were very popular.

The measurements shown are the length of the shaft with hosel and the width and depth of the face.

A great golf club in good original condition and very usable for modern hickory play. Approximate 25° loft & swing weight C8.

John Henry "J.H." Taylor was best known for his fine British Open play, winning his first Open in 1894 and went on to win it a further four times.
