

Smooth Face Golf Club, Cleek

£185

REF: 29595

Height: 89 cm (35")

Width: 11 cm (4.3")

Depth: 3.6 cm (1.4")

Description

Antique Smooth Face Cleek, Golf Club.

This early hickory shafted iron has a smooth face, original hickory shaft, that has been shortened, and later polished leather grip. This is a fine example of a fairly early lofting iron. The maker is unknown as the marking on the rear of the club head is too faint. Club head with nice patina.

The measurements shown are the length of the shaft with hosel and the width and depth of the face.
