

Square shaft Putter, Winkworth

Sold

REF: 23444

Height: 89 cm (35")

Description

ANTIQUÉ / VINTAGE SQUARE SHAFTED PUTTER, EDWIN WINKWORTH.

An exceptional steel shafted putter with unusual shaped head sold by Lillywhite Frowds' Haymarket London, made by Edwin Winkworth Scott.

The blade putter has dot-punched face markings in a semi-circular pattern with the Reg no. 612555. The hosel is square and is fitted with a square tapering shaft that thickens at the handle end. Fitted with a black leather grip. C1910.
