

Vintage Golf Club, Putter with Hickory Shaft

Sold

REF: 25406

Height: 112 cm (44.1")

Description

This is a modified putter which normally is with a flanch on the base, made by the St. Andrew Golf Co. The shaft which has a flat side is made of Greenheart and has a good but later leather grip. The modification is some led weight on the back of the head.
A good usable putter.
