S.W. 1

PRICE
10/6
COMPLETE

CAN BE USED
WITH ANY CLUB
FROM DRIVER TO NISLICK.

**THE BALL COMES BACK
BUT CANNOT HIT YOU.**

"QUITE THE BEST CAPTIVE BALL IDEA"

THE BIFFIT GOLF SET.

- FULL DRIVING PRACTICE** with a REAL GOLF BALL in a confined space.
- THE BALL** is driven some forty feet and is returned TO WITHIN A FEW INCHES OF THE PEG.
- A SIMPLE adjustment covers the square reach with NISLICK or other lofted Club.
- SAFETY.** The Ball cannot return beyond the point from which it is driven, and there is therefore NO POSSIBILITY of the player being struck by the misbehaving ball.
- THE BIFFIT GOLF SET** shows whether the shot has been correctly hit or whether it has been sliced, pulled or hooked.
- FEEL.** The separator is light and gives the feel of a true ball.

INSTRUCTIONS.

To erect the BIFFIT GOLF SET the cross to which the elastic is attached should be pressed firmly into the ground with the right foot extended, but not bent.

The point to which the ball is attached should then be placed on the ground by means of the thumb, taking care that the wire passes OVER the elastic and not under it.

The elastic should be depressed midway along the length of the cord as shown in the sketch.

A few trials will show the position and tension of the elastic best suited to the user.

To use with NISLICK or other lofted Clubs press the ball nearer to the elastic. The cord should be depressed nearly full length before the ball is struck. If this is done the ball cannot return beyond the point from which it is driven, therefore there is no possibility of the player being struck by the misbehaving ball.

WHEN USED IN HANDS AT LOW FOR THE ELASTIC SHOULD BE ATTACHED TO THE FEET.

Made in England

REF: 26251

Height: 13.5 cm (5.3")

Width: 28 cm (11")

Depth: 5.5 cm (2.2")

Description

Vintage Biffit Golf Training Aid.

An original "BIFFIT GOLF SET" in the original cardboard box with instructions to the lid. This could be the best captive golf ball idea, can be used with any club from a driver to a niblick, the ball comes back but cannot hit you, a full driving practice with a real golf ball. This is unused but the outside of the box does show some signs of wear. The box includes ground pegs, golf tees and a mesh pattern golf ball on a cord. This piece of apparatus shows golfers have always been inventing new ways to improve their game and always will.
