Description

Signed Artist's Proofs - Peace and War - Grouse Shooting By Douglas Adams.
A striking pair of atmospheric Highland photogravures - Peace and War - by renowned artist Douglas Adams. Each shooting print is signed by the artist and bears the 'Print Sellers Association' blind stamp, confirming its authenticity and quality.
These evocative game bird scenes contrast the tranquillity and intensity of the Scottish Moors across two consecutive days:
"Peace" depicts the serene moors on 11th August, the day before the grouse shooting season begins.
"War" captures the same landscape on 12th August, the opening day of the season, alive with activity and energy.
Originally published in London in 1896 by Henry Graves & Co., official publishers to H.M. the Queen and T.R.H. The Prince and Princess of Wales. Copyright held jointly by the British Art Publishers Union Ltd, New York, and Stiefbold & Co., Berlin. Printed in Munich.

Beautifully presented in modern pine frames with a black finish and gold slip, these classic works blend historical significance with timeless aesthetic appeal - a distinguished addition to any fine art or sporting collection.
