Description

1887 Allcock Fishing Catalogue
A very rare fishing tackle catalogue by S. Allcock & co. Redditch with 38 plates showing rods, reels, flies and lures, nets and creels etc. 8 of the illustrations are in colour and are absolutely beautiful lithographic illustrations. Most of the plates are in very good condition, some with a little foxing and some rubbing.
I assume this catalogue was for the home and export market as the descriptions are in German, French and English.The front cover reads, " S.ALLCOCK & CO.
REDDITCH, ENGLAND. ANGLETERRE. Album d'Illustrations. Gezeichnetes Musterbuch.
