REF: 25318

Height: 7 cm (2.8")

Width: 3 cm (1.2")

Description

A very nice line, leader gauge by A. Carter & Co. Ltd, London. The metal gauge comes in a small leather wallet and eliminates the guess work involving leader diameters and is one of the most indispensable accessories for the fisherman. Stamped on the front are the measurments and on the rear 'Chesterman, Sheffield, England'.
A wonderful handy tool indeed.
