Description

Vintage Set of Folding Bartholomew's Road Maps of Great Britain with Opisometer

A vintage set of 37 Bartholomew's revised "Half-Inch" contoured road maps of Great Britain, housed in a hard leather travel case. Each map bears its own individual sheet number and corresponds to the full map of Great Britain printed on the reverse, which is divided into numbered sections to show how the sheets relate to one another. The maps were printed and published in Great Britain by John Bartholomew & Son Ltd., The Geographical Institute, Duncan Street, Edinburgh, reduced by permission from The Ordnance Survey, with special local revision to date of publication. The set is in good condition overall. Some maps have been replaced over the years due to regular use. The leather case remains in good order and features a central leather carry handle on the lid.

Each map measures 19½ cm high by 9½ cm wide when folded, 57½ cm by 84 cm when fully opened.

The maps are:-
