Description

Vintage All Leather Motorcycle Helmet.

An unusual vintage pale blue leather chopper style helmet, possibly French in origin, with six outer leather sections stitched to form the cover of the helmet. This has then been attached onto a semi hard shell with a cotton interior and web straps. There is a sweat band, neck and ear flaps and a chin strap finished in the same blue leather as the cover. The front of the crash helmet has a small padded area, there are goggle loops on the sides. The leather is in very good condition with only a few minor scratches.

53 ½ cm internal circumference.
