Str. R.G.C. Hill, 11.10

Cox. C.B. Nichols, 11.10

Bumped:- Keble IV, Wadham IV, Exeter IV, Trinity III.

As the oar is full length (12 foot) shipping can be quite expensive. We have come up with an ingenious way to cut the oar so as to make shipping cheaper, the oar can then be easily reassembled. One of the images shows different images of an oar that has been cut down. It is cut by the leather sleeve so the joint is less visible or obvious. The oar can then be bolted together to make the oar one solid piece.

Please do enquire about the different shipping options.
