Short Description

Vintage Fishing Stained Glass Window.

A magnificent sporting stained glass window depicting a fishing scene. The window shows an angler about to cast off, the edging of the window made of coloured glass. The coloured leaded window was made for the centenary of the 'Mansfield Bar' in Hawick in 1993. The Mansfield Bar was a long established public house opening its doors in 1893. It was situated half way down Mansfield Road in Hawick, Roxburghshire and welcomed sports fans on their way to Hawick Rugby Club's nearby Mansfield Park. The window has been framed in a shadow box with white perspex placed behind the window.

There are three other windows also available, Football, Golf and Athletics.
